

Press information

Warsaw, 25.07.2018

For the fourth time, Warsaw will host the wine industry. Before us Wine Expo Poland 2018 international fairs.

Once again during the most important trade fairs in the capital city representatives of the industry of the wine will meet from Poland and from the world. The fair will be held traditionally in the last weekend of the October (26-27 October) in Warsaw. Everyone interested in the newest offer of goods, establishing new business relations, or developing the knowledge should here be.

The fourth edition of the fair will bring certain changes. The event will take place in the new location - of the newly created Global Expo hall at the Modlińska 6 D in Warsaw. Thanks to the Wine Expo Poland modern infrastructure 2018 will gain the completely different dimension. Organisers are announcing also a sequence of events attractive for participants, both of the ones treating the fair, as the platform for building both developing the make and the business, as well as the ones which are concentrating on raising their wine knowledge and the ability.

Everything for in order to create for guests and for issuers professional and luxurious space for building business relations, the education or getting to know of the offer wine producers from Europe, but also from behind the old continent. And in the program will be conferences, pieces of training, trade seminars, tastings and many other attractions.

Wine Expo Poland is:

- presence over **2 thousand** importers, distributors, commercial networks, supermarkets and hypermarkets, restaurants, wine bar, sommeliers, of buyers of corporate and regular consumers,
- **a dozen** or so educational and also business events with the participation of professionals - of seminars, conference, masterly courses, workshops, competitions, tasting,
- winners and laureates of the prestigious Wine Expo Poland AWARDS competition - **TOP OF THE TOP** in the trade ranking and amongst consumers - at your fingertips,
- undisputed benefits to participants in the fair - the international meeting of the industry and the business, the market analysis and the access to the most up-to-date knowledge what consumers favor.

Traditionally Warsaw Oil Festival will accompany the fair of the wine - only one such a party in Poland who opening the door to the world of oil to the best quality!
