INVITATION SERVICE

The organizer of the fair is constantly promoting the event among professional actors in the business area to grant the wider success of the event on both side of exhibitors and visitors.
Moreover, to grant the maximum visibility for exhibitors and to grant their success in the participation to the event, the organizer gives them opportunity to invite directly potential customers from specific business areas.

Ordering one or more „Invitation service pack“, the organizer will in name of the exhibitor:

- design
- target
- send

one special invitation to visit exhibitor's booth addressing it to selected people active in the business area chosen by the exhibitor.

When sending a personal invitation, the chance of transforming a contact into business relation is much higher, therefore organizer strongly recommends the use of this service in the marketing activity of each exhibitor before the fair.

Invitation are sent randomly to the organizer's database of selected contacts inside companies active in the specific business branch. In compliance with the data protection regulation, data are not shared with the purchaser of the service.
Each invitation is valid for two people during one fair day.
